

OCEAN™

PREMIUM *plus*

HIGH ASPECT

High Aspect Ocean Premium Plus sailcloth delivers the very best performance figures of any woven polyester produced by Bainbridge. Designed to give the sailmaker and end user alike the very best in performance and shape holding power which in turn delivers outstanding longevity. **High Aspect Ocean Premium Plus** also incorporates a unique 'Ripstop' that sets it apart from standard products.

- Woven Ripstop reinforcement
- Top quality, high tenacity yarns
- Additional UV treatment to enhance longevity
- The latest hi-tech weaving machinery and techniques
